* Contact SVCC for membership rates for multiple branches of one bank.

What Is a Lighted Display Board Membership?

The \$450 yearly membership fee for this category includes all of the benefits of regular membership plus these additional benefits

The Lighted Display Board is a lighted advertising unit that displays an 11 x 14 photo of your business. The size and location of the Lighted Display Board make it a prominent feature of the Visitors Center and give its participating membership a visual presence with real impact. Your rack cards are also displayed at your photo, increasing your brochure presence 300%. Our convenient location along Route 30 is often the first stop for visitors to the area; the map at the center of the Lighted Display Board is used by staff and volunteers when giving directions to visitors, again drawing attention to the businesses promoted through this membership category.
